

## **The David Sheldrick Wildlife**

“A lifetime dedicated to the protection and preservation of Africa’s Wilderness and its denizens, particularly endangered species such as elephants and Black rhinos.”

**The David Sheldrick Wildlife Trust** is the most successful orphan elephant rescue and rehabilitation program in the world. Pioneering conservation of wildlife and habitat protection in East Africa, the Trust has hand-raised more than 150 infant elephants and successfully integrated many back into the wild herds of Tsavo.

**Jan Luchetti Interiors** is currently fostering two baby elephants. Jan encourages others to support the fostering, conservation and anti-poaching efforts of the David Sheldrick Wildlife Trust. If you are interested in fostering an elephant, rhino, or giraffe, please visit the website to choose an animal whose story touches your heart.
